What was the matter with Pennsylvania?

It was a race between Wilson and the "insurgents."

Thus the Outlook is able to retain its contributing editor.

Virginia, mother of presidents still find the family growing.

For a mild, easy, action of the bowels, try Doan's Regulax, a modern laxative. See at all stores. adv

Gov. Wilson won without a hard word or a split infinitive.

A great many seem to have voted for Taft for ex-president.

When a girl screams on getting kissed it is usually in a whisper.

"Dr. Thomas' Electric Oil is the best remedy for that often fatal disease—croup. It has been used with success in our family for eight years."—Mrs. L. Whitacre, Buffalo, N. Y. adv

Those who have been standing at Armageddon may now relax a little.

Home coming week for the Democrats—four years and then some.

Heavy, impure blood makes a muddy, pimply complexion, headaches, nausea, indigestion. Thin blood makes you weak, pale and sickly. For pure blood, sound digestion, use Burdock Blood Bitters. \$1.00 at all stores. adv

This is democracy's chance to make a home run with all the bases full.

Turkey might do well to borrow a few gunmen from Manhattan Island.

For any itching-skin trouble, piles, eczema, salt rheum, hives, itch, scald head, herpes, scabies, Doan's Ointment, is highly recommended. 50c a box at all stores. adv

There are two things that the Turks are able to beat—a retreat and a carpet.

No such sweeping victory is recorded in the "History of the American people."

Is your husband cross? An irritable, fault-finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by all dealers. adv

Not the crescent but the waning moon would fitly symbolize the Turkish empire.

Finding that there was room for one more, Illinois jumped on the Democratic band wagon.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by all dealers. adv

Now will the caretakers kindly remove the peanut shells and waste paper from the lawn of Armageddon?

Mrs. S. A. Swagol, Krok, Wis., a well known resident of Kewanee, Co., says: "I have used Foley's Honey & Tar Compound for my children, as I know it will always cure their coughs and colds, and they like to take it." Refuse substitutes. Sold by A. G. Meyer. adv

A bull in a china shop looks like an innocent bystander compared to a bull mouse in the republican party.

"There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy and the first dose ended them, and three bottles cured them." says Mrs. R. A. Donaldson, of Lexington, Miss. For sale by all dealers. adv

Pupils of Miss Louise McKinsey's Room Vote this Story Best.

I lived in the city and my only desire was to move to the country so I bought a house and field and moved there. I owned cattle and had corn, wheat, oats and barley in the field. I found that I had more luck with corn than any other. The next spring I planted the whole field in corn. Some was pop corn, horse, sweet and flower corn. In a few weeks it made its appearance and was hoed and killed. Then it formed its fans or tassels as some people call it. It had little silks and later it turned into what we call corn. Some were very large ears while others were small. Some were red, light purple, white and yellow.

Corn is used in many ways: to feed animals, to make corn meal, hominy, sirup, whiskey and rum and then it is crushed for cattle. The pop corn ears are not as large as horse corn and the grains are about half as large. People pop the pop corn to eat. It can be made into balls, molasses balls and candy, which most everybody enjoys eating.

Flower corn is roasted in the oven and is eaten with salt.

Sweet corn is white and is a milky substance, it is much like horse corn only it is soft while the other is hard. When boys cannot buy tobacco they take the hair off of the corn put it in their pipes and smoke it. Most all people especially the poor, let the stocks of corn dry out and in winter they cut it up and use it for kindling.

For corn meal the corn is first shelled then brought to the mill to be ground then sold. There are two grades of corn meal the bolted, which is the finest, then the coarse.

The sweet corn is cut off the ears for cooking. It is canned for soup and is used for drying. Corn starch and the lump starch are both used for stiffening clothes, it is made from corn.

Many children eat molasses and do not know where it comes from or that it is made from sugar cane, which is like corn.

Corn fodder is often fed to horses when there is not much other feed for the animals.

Corn shucks are used to make mattresses, which people put on their beds to sleep on. They are also platted for rope and then used to make chairs.

Corn cobs are used to make pipes for men and boys, and some women use the pipes also.

Some corn I saved for the cattle in the stable. Everyday when I would feed them, some corn would be gone, this was every day for over a week. I thought it was some thief, so I locked the gates and marked them, but the next day they were still the same. So I told some of my neighbors about it and we decided to sit up in the stable with our guns and watch. All of a sudden there were two or three very large rats ran rapidly in front of us and went for the corn, of course. We killed them and was never troubled with rats again.

Not long after this happened, in Philadelphia they had a contest for the best looking corn. Everybody could bring a ear of corn and there was a premium offered. I brought one ear of the light purple and afterward I heard that I won the prize. Mine was the largest ear and largest grains. Afterward so many people came to me and asked to buy some of my corn. I sold some and made a great deal of it. The next spring I thought I would buy another field and have some one to tend to it, that I did. In it was planted sweet, pop and flower corn, in the one that I worked was planted nothing but the horse corn. I made a fortune or a great deal on the horse corn, but the other field did not make enough, barely to pay my expenses. I asked the reason why to a very wise man and he told me, first place the soil was not rich and second it was not tended to with very much care so I just kept the field that I worked in and sold the other to a very prosperous farmer, who had farmed every since he was twenty-five years of age. He had so much luck with it, that I wish I had kept it myself, but he would not sell so I was sorry of the bargain.

I was driving a wagon load of horse corn to town to sell, when I was going down a very steep hill my horse got frightened at a large piece of paper, they ran away, broke the wagon and almost the whole wagon load was spilled on the ground. I picked up almost all of it, but it was a very great loss. Some I could not pick up was eaten by the people's chickens, who lived on the knoll.

On the fourth of July I bought some fire crackers. I did not want to hold them in my hand to shoot so I took two of the very largest ears of corn, shelled it, made a hole just large enough for the fire cracker in the corn cob. I found out it was a good thing to do and since then I have always used one.

Mercedes J. Kerner, 6th Grade.

Senator LaFollette knows where the nation could have got a man with a real pompadour to adorn the White House.

The boy's appetite is often the source of amusement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers. adv

In the twenty years since the boll weevil crossed the Rio Grande from Mexico it has done \$125,000,000 worth of damage and is not much of a household pet at that.

Mrs. Fred Lamb, 408 High Forest, Winona, Minn., states: "My husband had kidney trouble with severe pain across his back and was miserably and tired out. His bladder acted irregularly and there was a brick dust like sediment. Finally he took Foley Kidney Pills with the result that the pain left him, his bladder acted regularly and he was strong and well again." Sold by A. G. Meyer. adv

These somber autumn days are somewhat relieved by the young benefactors who walk abroad displaying pyrotechnical waistcoats.

W. A. Clayton, Besseville, Mo., writes about Foley Kidney Pills and says: "I got down on my back last winter with kidney and bladder trouble and could hardly get up. I got a bottle of Foley Kidney Pills and took them and they straightened me right up. I recommend them to all who have kidney trouble." Sold by A. G. Meyer. adv

Correct pronunciation is a great thing, but the truly hungry man will say "prunes" to the waitress when he wants prunes.

"Tells The Whole Story."

To say that Foley's Honey & Tar Compound is best for children and grown persons and contains no opiates tells only part of the tale. The whole story is that it is the best medicine for coughs, colds, croup, bronchitis and other affections of throat, chest and lungs. Stops in groups, coughs and has a healing and soothing effect. Remember the name, Foley's Honey & Tar Compound, and accept no substitutes. Sold by A. G. Meyer. adv

President Taft's ride to the next inauguration will not be altogether pleasant, but he may think that it might have been worse.

Twinges of rheumatism, backache, stiff joints and shooting pains all show your kidneys are not working right. Urinary irregularities, loss of sleep, nervousness, weak back and sore kidneys tell the need of a good reliable kidney medicine. Foley Kidney Pills are tonic, strengthening and restorative. They build up the kidneys and regulate their action. They will give you quick relief and contain no habit forming drugs. Safe and always sure. Try them. Sold by A. G. Meyer. adv

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O.

Doubly Proven

Fair Play Readers Can no Longer Doubt the Evidence.

This Ste. Genevieve citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. George LaRose of Ste. Genevieve, Mo., says: "I was in misery with my back. There was a constant bearing down pain just over my kidneys and I could hardly drag myself around. I had dizzy spells and sharp pains in my head. Medicine had little effect until a friend advised me to take Doan's Kidney Pills. I got them at Hinch & Douglas' Drug Store and they gave me wonderful relief. I have never had a bad attack since I used them."

Mrs. LaRose gave the above statement in October 1906 and when interviewed on September 19, 1912, she said: "I am willing to confirm my former endorsement of Doan's Kidney Pills, in fact, I can recommend them more highly than ever. I have been free from backache and kidney complaint for the last few years and haven't had to use a kidney medicine."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, agents for the United States.

Remember the name—Doan's—and take no other.

Sixty women of Sidney, Australia, went to jail rather than cut down the length of their hat pins. Millions for defense but not one inch for tribute.

H. L. Blomquist, a very well known merchant of Escondido, Wis., states: "My wife considers Foley's Honey & Tar Compound the best cough cure on the market. She has used various kinds, but Foley's Honey & Tar Compound gives the best results." Best for children and for grown persons. Contains no opiates. Sold by A. G. Meyer. adv
